

'Maybe Christmas, he thought, doesn't come from a store.  
Maybe Christmas. . . perhaps. . . means a little bit more!'

From the 1957 Children's Classic "How the Grinch Stole Christmas" by Dr Seuss

## Christmas 2014

Christmas time is when we all like to send love, best wishes and gifts to our family and friends. As in the past few years we have written to our supporters suggesting that you may wish to consider giving an "alternative gift" for Christmas and since this suggestion has proved extremely popular with a number of our supporters, it has been decided to do it again this year.

Thanks to the on-going support and generosity of our supporters, 2014 has been a positive and very inspirational year for the shuktara family with the arrival of Raja at the beginning of the year and more recently two new girls (Moni and Muniya) to the family. So on behalf of everyone at shuktara, we wanted to take this opportunity to THANK YOU once again for helping us to continue building our vision for these young individuals and for helping to make our and their dreams come true!

So as an "alternative gift idea" this year, instead of the usual gift giving and card sending, why not make a financial donation to shuktara that will have a real impact on the lives of young people with disabilities in Kolkata, India.

If you provide us with the details of your friend or family members for whom the Gift Donation is being made, we will send on your behalf a personal Christmas greeting from our Chairman and everyone at shuktara.

On behalf of all our children and young adults in Kolkata and the Trustees of Shuktara Trust (UK), we wish you a very happy Christmas, a healthy and prosperous 2015 and a big thank you for your continued support over the past year.
